

## **Paid Digital Marketing Internship**

We are looking for someone with some familiarity with SEO, SEM, and the Bar and Bat Mitzvah process.

We provide technology to help synagogues nationwide with the bar and bat mitzvah process. We are looking for someone to help with a marketing project for a 501(c)(3) non-profit to drive donorship and donor engagement through paid per click advertising.

We are seeking someone full time over the summer, with the possibility of going part time during the school year.

Our ideal candidate is goal oriented, efficient, and passionate about this opportunity.

Why work with us?

- Create educational tools that will help countless students
- Work from home with a flexible schedule while keeping in close contact
- Be a part of a growing start-up organization where your ideas have a tangible impact and you will work to overcome real-world challenges
- Work closely with a mentor to deepen your skills and learn new ones
- Gain experience in a variety of roles to support cantors who teach Bar/Bat Mitzvahs

Please send us your resume and a cover letter. Let us know your background, availability, and what you hope to gain from this opportunity.
